

## House Activity

This activity goes along with our reading and puppet show of the Three Little Pigs. There are three optional activities that you can do for fun.

1. Send a photo of you and your house to [shinton@csdo.org](mailto:shinton@csdo.org) Mrs. Hinton will include your photo in a future story time video.
2. Draw a picture of your house.
3. Go outside and construct a house. You can use straw, sticks, rocks, lego's, Lincoln logs, or any other building material that you have at home. Take a photo of your completed house project and send it to [shinton@csdo.org](mailto:shinton@csdo.org)
