

# Hap-bee Birthday!

## Library Fundraiser

@ St. Perpetua School

**How it works:** Hap-bee Birthday students select a new book for the library to purchase. A Hap-bee birthday donation sticker will be affixed inside the new book with your child's name. Each donation helps the library to purchase new books that *kids want to read*.

Submit this form to the office with \$20 per student. You may pay cash, check or ACH (if you already have an ACH account with the school).

**Due in October for all birthdays.** Books will be chosen in November. Hap-bee Birthday students will be the first to borrow and enjoy their newly selected library book, as soon as it arrives.
